Dear Parents, Teachers and Students

Our late Founder **Mr. K.B. Sharmaji**, guided and inspired us to start Saffron Public School in the year 1998, with objective of providing quality education to all sections of the society and our mission statement

"We Ensure Value Based Education" meaning Amulya Jeevan ... Atulaya Jeevan Sanskar

reflects the same but how do We Ensure Value Based Education?

by adopting and practising the following 5 core values which are enshrined in our school culture:

Passion- Jasba, Ownership- apna pan - maalik, Competency-kushalta, yogyta, Flexibility - lachilapan, Communication-varatalap

And by facilitating the learning process in the young hearts in the children of our school and society.

These days so much is being said about developing the Eco-system in our country for start-ups in business.

However, I believe that we should first develop our Education eco-system, thereby teaching our children basic values of life, our **Bhartiya Sanskriti** and give them a modern outlook and approach to ensure their success as future citizens of our great nation.

And surely as you can see Saffron Public School is working towards developing the said eco-system,

Our new building block is in operation now, and further a modern auditorium, computer labs, retail room, lecture halls will be started in near future and emphasis is now being given on modern classrooms, vocational training, e-library, music, dance, sports and our existing infrastructure is being upgraded as per the needs like RO system, New Buses, CCTVs etc.

And also best of teachers are being employed to nurture and encourage talent here and all teaching and non-teaching staff are given regular training and continuing professional education in form of seminars, workshops, etc. to keep them abreast of modern teaching methodology and approach, so that maximum benefits accrue to our students.

Further, the management of Saffron Public School is also promoting a new institution, namely, **Saffron Devi College**, which shall provide further education in skills and technical training, higher and professional courses in the years to come and has already been appointed as Accredited Vocational Institute by **National Institute of Open Schooling** and is also seeking affiliation with other Government Institution, and hence, enhancing total education framework for our students in particular and society at large.

I would like to add here that the role of the Parents in eco-system is like that of heart in our bodies without which life will not exist.

As a Parent myself, I understand your concern for your wards, as we all want them to do well in life be successful and so at the school, we are also sensitive to any issues you may be having regarding your ward and do best to solve the same to benefit your ward.

We understand each child is different and special and after certain age we have to become facilitators rather Parents in the old sense.

Surely, the success of our students and school has only happened because of active participation and wholehearted support of our Parents and due to joint efforts all **SAFFRONIANS**, your school was placed 17th amongst the top 20 schools of Faridabad by survey done by TOI in 2016.

But as you all know this is just a small step in the direction to making Saffron Public School to be one of the top school's in the country

Thank you & God Bless

Atul B. Sharma

Message

*My dear children,
Every new day ushers in new opportunities. Every morning ray of the sun dispels darkness and gloom... brings in the message of optimism and hope.
Yesterday may have been hard, yesterday we may have failed,
yesterday we may have missed our goal, yesterday we may have lost,*

but

IT IS TODAY NOW

*The earth has turned over a new leaf and yesterday is past.. as dead as year 1735.
Greet the new day with enthusiasm and confidence, put in that extra bit today to change your tomorrow.*

*Every morning gives us the precious gift of 24 hours to spend wisely.
Make up your mind... Get out of your self created cage of 'I can't'
Every thing you want is right there...you will be surprised at what grows underneath the snow.*

*Don't worry and fret, faint hearted
The chances have just begun,
For the best jobs haven't been started
The best work hasn't been done.*

Bertou Braeley

*You can be that Best... You can be the one to create way for others to follow.
With all my best wishes and lots of love*

PROJECT - TIGER

The project tiger was launched in India in 1972 as conservation programme for saving the Indian tiger population. Some of the best examples of this programmes success can be seen in the national parks situated in high Himalayan region to the mangrove swamps of Sunder Ban and the thorny scrubs of

Rajasthan. But more wildlife conservation, laws and awareness among the people is still required to make Indian Sanctuaries as safe as heaven for tigers. Project Tiger scheme has been under implementation since 1973 as Centrally Sponsored Scheme of Government of India. The aim of Project tiger is to ensure a viable population of tiger in India for economic aesthetic, cultural and ecological values and to preserve areas of biological importance as natural heritage. Project Tiger Scheme includes wildlife management, protection measure and site specific eco-development to reduce the dependency on tiger reserve resources.

BLESSING IN DISGUISE

A Young Sikh was getting ready to graduate from Medical School. For many months, he had admired a sports car in a dealer is showroom and knowing his father could well afford it, he told him that was all he wanted. As Graduation Day approached, the young man availed signs that his father had purchased the car. Finally, on the morning of his graduation, his father called him into his private study. His father told him how much proud he was to have a son. He handed his son a beautiful, wrapped gift box. Curious, but somewhat disappointed the young man opened the box and found a lovely, leather-bound "Guru Granth Sahib." Angrily, he said, "With all you money you gave me a "Guru Granth Sahib?" and stormed out of the house having the holy book. He never contacted his father again. Many years passed and young man became a very successful neurosurgeon. He has a beautiful home and family, but realized his father's absence and decided to go and meet him. He had not seen him since that Graduation Day. But then he received a telegram that his father has passed away and willed all of his possessions to his son. When he arrived at his father's house, sudden sadness and lament filled his heart. He began to search his father's important papers and saw that still now Guru Granth Sahib, as new as had left it years ago. With tears and his heart full of remorse, he opened the Holy Guru Granth Sahib and began to turn the pages. As he read those words, a cheque dropped from it. It was the exact amount needed to pay for the sports car. His father had written these words on the cheque as the young man turned it, "To my son whom I will love forever." It was dated the day of his Graduation Day. The son fell to his knees and cries.

How many times do we miss God's blessings because they are not packaged as we expect? Just imagine.....

POEM ON GANDHI

It was vacation and I had nothing to do,
I was at home and mummy, daddy too
My glance caught a sketch, of an old person,
He appeared to be the gentlest under the sun,
Strikingly, different was the expression in his eyes'
Suddenly, I felt guilty of all my lies,
His lips parted in smile, so pure,
He left me spellbound that's for sure,
"Who is he dad?" was my question
"Come on, don't you know? Was his reaction
He is the one who has set us free,
He is the one, who was bold enough,
Firm and stubborn but never rough,
Truth and non-violence is what he taught,
Same were the principles for which he fought,
Preaching and practiced for once were the same,
His deed were worth name and fame,
I have never seen a soul , so tall,
Oh dad! he appears to be the father of all,
"You said it, child" Said my dad,
Bapu is the name he always had
I saw the sketch again and again,
He returning smile was my greatest gain,
October 2nd was the day my friends,
That certainly changed my life's trends.

For a stranger sight you'd have to go far,

He travelled to work everyday by car,
And on the way home, he stopped at a bar."

POLLUTION

As we all know that our environment is very necessary for our healthy existence on the earth. A healthy environment depends on good habits of human beings and the

circumstances we create. However, by any means if our environment gets affected negatively, it creates lots of problems and many challenges in living a smile and healthy life. Our environment acts as a natural world for us and provides protection to us from the natural calamities. However, it becomes helpless in protecting us if we disturb its natural cycle that forces it to harm us.

EXPONENTS

I open up my textbook when I first got out of bed,
Start studying those rules, just like my teacher said!
Recognizing bases, exponents too.

Exponents must be positive, negatives won't do
I've got to work these problems, I've got to find a way
Oh! I feel frantic today!

I start to see a pattern to how these things are done
I raise to zero power & the answer's always one
The base just can't be zero- I must remember that
Just three more rules to learn now & then I can relax
I'll put it all together, I'll know it pretty soon.

Oh! I feel better at noon!

To multiply, same bases, exponents, I combine.
Dividing's just the opposite, but then I must decide
To subtract the smaller power, the bases correctly place
The power rule says multiply, parentheses erase,
I know I've got these rules now, I know I've got them right
Oh! I feel lucky tonight!

फ्रिज को भी हम न भूले।
अब वह आकर हमें सताए
आएगी अब फूलों की बहार
आम तरबूज मिलेंगे भरमार।
आते ही गर्मी का मौसम,
कोयल ने भी छोड़ा सरगम।
मौसम ने फिर रंग दिखाया,
गर्म हवा का झोंका आया।

घरती स्वर्ग बनेगी लेकिन हमको कुछ करना होगा

भारत सोने की चिड़िया था ये अतित का किस्सा है,
भारत देश गरीबों का है ये वर्तमान का हिस्सा है

या तो झूठे ये किस्से हैं या हम में कोई जोश नहीं
या फिर भारत की गरिमा का हमको कोई होश नहीं

ये अतित के किस्से फिर अब वर्तमान बन जाएंगे
भारत को सोने की चिड़िया फिर से कब कह पाएंगे।

माँ

माँ बड़ी प्यारी है, जग में सबसे न्यारी है।
माँ का स्थान है उँचा, जग में और ना है दूजा।।
अतिशय मन कल्याणी है, धरा की सुन्दर क्यारी है।
स्वयं कष्टों को सही, मुझे ग्रीष्म-शीत से बचाती।
हमें लोरी गाकर सुनाती माँ की आँखें खुली रह जाती।
परेशानी जब हम पर आती, आँसू पोछने माँ ही आती।
खुशी में हम उसे भूल जाते, मुसीबत में वह हमें याद आती।
थक कर जब हम आते, गोदी में सर रख सर सहलाती।
तेरा एहसान न हो सकता अदा, मरते-मरते दे जाती दुआ।
माँ क्या होती है, उनसे पूछो जिनके माँ नहीं होती।
इसलिए तो माँ होती है सबसे प्यारी।
हमें अपनी माँ पर गर्व है।

नाराज धूप

हुई बात क्या ऐसी आज,
धूप हुई इतनी नाराज!

सूरज निकला नहीं गगन में,
धूप नहीं बरसी ऑगन में।

ऐसा तो कुद ना था आसार,
धूप हो गई क्या बिमारा।

आशा की किरणें बिखराती,
सुबह-सुबह ऑगन में आती।

कभी आग जैसी थी बरसती,
कभी हौले-हौले थी हँसती।

पेड़ हमारे जीवन साथी

पेड़ हमारे जीवन साथी, बहुत हमें ये भाते हैं
ऑक्सीजन की सही मात्रा देकर हमें बचाते हैं।
पेड़ हमें देते हैं 'फल' जिन्हे हम चाव से खाते हैं।
धूप से ये हमें बचाकर, छाँव से सहलाते हैं।
अशुद्ध हवा को शुद्ध करे ये प्राण वायु से सांस भरे।
जड़ी-बूटियाँ देकर ये अनेक बीमारियों से हमें बचाए
फिर भी इन्हें काटकर जीवन सुखी बनाना चाहते
धरती को हरा भरा रखना है तो पेड़ों को लगाना होगा।
क्योंकि पेड़ हमारे जीवन साथी बहुत हमें ये भाते हैं।

सलाम कलाम

आज समय का पहिया घूमा, पीछे सब कुछ छूट गया
एक सितारा भारत माँ की आँखों का दूट गया
उसकी आँखें बंद हुई तो पलकें कई, निचोड़ गया
सदियों तक ना भर पाएगा, वो खाली पन छोड़ गया
ना मनहब का पिछलग्गू था, ना गफलत में लेटा था
वो अबदुल कलाम तो भारत माँ का बेटा था

बचपन से ही खुली आँखों से सपने देखा करता था
नाविक का बेटा हाथों में सात समंदर भरता था
था बंदा इस्लाम का लेकिन, कभी न ऐंठा करता था
जब भी चाहे संतों के चरणों में बैठा करता था
एक हाथ में गीता उसके, एक हाथ में कुरान
लेकिन उन दोनों से उपर रखा उसने हिंदुस्तान

ना शरीयत में अलमस्त वो अपनी कीमत भाप गया,
कलम उठाकर अग्नि पंख से अंतरिक्ष को नाप गया
आकर्षक व्यक्तित्व बच्चों के दीवाने थे
ऐसे चाचा के आगे चाचा नेहरू बहुत पुराने थे
माथे पर लटकी जुल्फों ने पावन अर्थ निकाल दिया
पावन लगता की भारत माँ ने आँचल सिर पर डाल दिया

माना बि की इस भारत में कायम गजनी, बाबर है लेकिन
ऐसे मौमिन पर सौ-सौ हिन्दू क्या सौ-सौ भारतीय न्यौछावर हैं...

तितली और कली

हरी डाल पर लगी हुई थी,
नन्ही सुंदर एक कली।
तितली उससे आकर बोली,
तुम लगती हो बड़ी भली।

कली छिटक कर खिली रंगीती,
तुरंत खेल की सुनकर बाता।
साथ हवा के लगी भागने
तितली छूने उसे चली।

अब जागो तुम आँखें खोलो,
और हमारे संग खेलो।
फैले सुंदर महल तुम्हारी,
महके सारी गली गली।

जंगल का फूल

एक बार की बात है। पूर्व प्रधानमंत्री पंडित जवाहर लाल नेहरू एक मंत्री के साथ घने जंगलों से गुजर रहे थे। रास्ते में उन्होंने देखा कि एक पेड़ पर असंख्य खूबसूरत फूल लगे हुए हैं। यह देखकर उन्होंने उन मंत्री महोदय से मनाक करते हुए कहा, ‘आप समझदार तो हैं, लेकिन जंगल के फूल की तरह हैं।’

मंत्री बुद्धिमान थे। बोले पंडित जी, जंगल का फूल बगीचे के फूल से हमेशा अच्छा होता है वह जंगल की खुली हवा खाता है। उसे खुली धूप मिलती है, उसे कोई तोड़ता भी नहीं है। जबकि बगीचे के फूल पर सैंकड़ों हाथ झपटते हैं। मंत्री की बात सुनकर नेहरू जी बोले, मगर आप यह क्यों भूलते हैं कि पूजा हमेशा बगीचे के फूल से ही होती है। देवता के चरणों में वही पुष्प चढ़ता है, जंगल का फूल कभी भी देवालय या देवता को अर्पित नहीं किया जाता। मंत्री बोले, ‘पंडित जी, एक बात बताइए क्या देवता के चरणों में चढ़ने से ही पुष्प का भाग्य सराहा जाए। क्या फूल का उद्देश्य केवल देवता के चरणों में अर्पित होना ही है। वातावरण को सुगंधित रखना क्या कम बड़ी बात है? भले ही सुगंध बिखेरते-बिखेरते वह मिट जाए पर मुझे तो ऐसे फूल की ही सार्थकता दिखाई देती है। कोई फूल आखिर देवता के लिए ही क्यों खिले? मंत्री की बात सुनकर पंडित जी बोले, ‘आप ठीक कह रहे हैं जंगल का फूल बगीचे के फूल से अधिक पूजनीय है। नेहरू जी को जंगल के फूल का महत्व समझाने वाले वह मंत्री कोई और नहीं लाल बहादुर शास्त्री थे, जो बाद में अपने गुणों की सुगंध चारों ओर फैलाते हुए देश के प्रधानमंत्री पद पर आसीन हुए।

एहसास रिश्तो के

कैसे होते हैं ये एहसास रिश्तों के

कैसे होते हैं ये एहसास रिश्तों के

दूर होकर भी पास होते हैं एहसास रिश्तों के
बुराई में भी अच्छाई ढूँढ लेते हैं ये एहसास रिश्तों के

बस ऐसे ही होते हैं एहसास....

कुछ न कहे बिना सब समझ लेते हैं

कुछ न पास होते हुए भी सब दे देते हैं ये एहसास....

बस ऐसे ही होते हैं एहसास....

पराये होते हुये भी अपना बना लेते हैं ये

अपनों को और पास ले आते हैं ये एहसास....

बस ऐसे ही होते हैं एहसास....

जान पहचान से भी ज्यादा कुछ खास होते हैं ये

एक प्यारा सा अनुभव होते हैं ये एहसास....

ये सुनहरी किरणें ऑगन में फेलाए रखना

ये महकती सुगंध जीवन में बनाए रखना

इतना सा ही अरमान रखते हैं ये एहसास रिश्तों के

बस ऐसे ही होते हैं एहसास रिश्तों के।

STEPS TO SUCCESS

"You must become purpose-driven rather than performance-driven,"

"You must ask the 'why' questions before you ask the 'how' questions".

THE HAPPY STUDENT should-

- • Enjoy a new sense of purpose in your academics
- • Keep your motivation levels high using practical strategies
- • Conquer your fear of failure
- • Set meaningful goals and achieve them
- • Increase your self-confidence
- • Deal with the expectations of parents and teachers

How to Choose a Career That's Best for You

As we all have different skills, interests, experiences and expectations, there's no one career that's best for everyone. So how do you choose the career that's best for you?

Whether you're trying to decide where to look for your first job or pondering a possible career change, here's what you should consider when thinking through this important decision:

- What are your natural talents?
- What's your work style?
- Where do you like to work?
- Do you enjoy social interaction?
- How Important to you is work-life balance?
- Are you looking to give back?
- Are you comfortable in the public eye?
- Do you deal well with stress?
- How much money do you want to make?

If choosing a career feels like too much pressure, here's another option: Pick a path that feels right today by making the best decision you can, and know that you can change your mind in the future. In today's workplace, choosing a career doesn't necessarily mean you have to stick with that line of work for your entire life. Make a smart decision, and plan to re-evaluate down the line based on your long-term objectives.

Recognize that you'll change as time rolls on. Your needs for money, freedom, balance, and recognition will change with you. But for now, think through each of these ideas, and you'll be well on your way to choosing a career that's best for you.
